St. Mary's on the Hill P.S. June's Information 2025

Welcome to June's Information Sway. As we come to the final month of our school year we can look forward to a number of exciting events. Please read through the sway so you are aware of what is upcoming.

In May, the school celebrated First Confession with our P3s. The children were simply fantastic. A huge thank you to all our staff for preparing the children for this wonderful sacrament. Thank you also to Fr Pat Sheehan for his spiritual guidance and support.

We also had our P1 – P7 Sports Days which were great fun and we were very pleased with the turnout of parents/carers and grandparents who added to the occasion, even with the unpredictable weather. Special thanks must go to the teachers and to all staff for organising these events.

I would like to take this opportunity to wish you all a very happy Summer Holiday and hope that you get the chance to enjoy time with your families.

If you have any queries please send a message to the school email address given below.

Behaviour Targets

One of the things we are proudest of in St. Mary's on the Hill is the children's behaviour. However, there is always room for improvement. In the month of June we are focusing on 'Gratitude'. I will talk to the children at each of our assemblies regarding this and staff will reinforce the message in school. During the month of June we will discuss how we can be thoughtful of other people including how we speak to them and how we interact. We will talk about being thoughtful in and out of school and respecting other people. Can we ask parents and carers to do the same at home? This is to ensure that pupils know the correct way to interact with each other.

P4 Holy Communion

The Primary 4's will make their First Holy Communion on Wednesday 11th June. The children have been preparing extremely well to receive this sacrament. As in past years the ceremony will take place in St. Bernard's church and information has already been sent to families. This is a very special and important time for our Primary 4 children and we will keep them in our prayers over the coming weeks.

A Fond Farewell to our Fabulous P7's

It is with great sadness that we say goodbye to our P7's. They have been an exceptional group of children. Their behaviour, manners and attitude to school, to each other and to staff has been outstanding. You have simply been a pleasure to have in the school, a credit to your families, the school and to yourselves. You have exemplified the school motto - Learn to Love, Love to Learn. We wish you all well for this next chapter in your lives.

Car Parking

CHURCH CAR PARK: I would like to gently remind everyone of the difficulties and dangers around drop-off and collection of your child/ren. I am asking that all parents exercise extreme caution. To alleviate the difficulty of congestion we are asking all parents to make a **LEFT TURN** when exiting the car park. **Please use the designated parking spaces or drop off zone.**

WAITING AT THE GATE: Thank you all for your support and cooperation in the mornings whilst leaving your children to school. **We would ask parents not to wait at the gate once they have left their child to school.** By leaving your child off and moving off-site you are freeing up limited parking spaces. It can be difficult for children to enter through the gate when parents are gathered there. As the gate is in close proximity to the entrance of the car park we want to make every effort to ensure no accidents occur. We would appreciate your cooperation in this matter as the safety of our children

is our primary concern. Please pass this information on to anyone who will be responsible for leaving or collecting your child.

Allergy Awareness

We have a number of children who suffer from allergies, which can result in potentially serious consequences. I would therefore ask that these children are not exposed to danger and that you are mindful of any children in your child's class who may have an allergy. We continue to be a Nut Free School, please do not send in anything which contains nuts.

Parents of children with diagnosed allergies are asked to provide the school with 2 Epipens (with valid dates) and any other necessary medication as soon as possible.

Please continue to support our 'Healthy Eating Policy' and provide your child with a piece of fruit and water or milk for break.

Administration of Medicine

Please visit the school office if your child requires medication to be administered whilst at school. Parents need to sign and complete an 'Administration of Medication' form (available from the school office) before the school will administer the medicine. All medication should have the child's name on it and the dosage clearly labelled. Please do not send any medication with your child – it must be handed into the school office by an adult. Thank You.
